8.100 DETAILS OF PLAT AND PLAN REQUIREMENTS

The information contained in the following subsections is required to be included on plats and plans reviewed by the Department of Building and Development.

8.102 PRELIMINARY PLAT OF SUBDIVISION

The purpose of the preliminary plat of subdivision is to conceptually show the probable lot layout and location of streets and other necessary infrastructure to demonstrate geometric locations of all lots and improvements of such proposed subdivision.

B. Items to Accompany Preliminary Plat of Subdivision

The following items shall accompany the submission of a preliminary plat of subdivision:

1. For any subdivision to be served in accordance with the requirements of the LSDO section relating to on site sewage disposal systems, written approval of the proposed locations of sewage disposal systems shall be obtained from the Health Director or his designee and submitted with the preliminary plan. For any subdivision proposed to be served by on site wells, the developer shall submit with the preliminary plan written verification from the Health Director, or his designee, that the Hydrogeologic Report has been reviewed and approved in accordance with Chapter 6 of this manual.
2. Fee check.
3. Land Development Application Form.
4. A Phase 1A Reconnaissance-Level Archaeological Survey prepared in accordance with the standards set forth in this Manual.
5. Documentation of the submission of an application for, or the submission of a private, Preliminary Soils Review in accordance with Chapter 6 of this manual.
6. A letter from the Virginia Department of Conservation and Recreation, Division of Natural Heritage identifying occurrences of natural heritage resources on the property such as the habitat of rare, threatened, or endangered plant and animal species, unique or exemplary natural communities, and significant geologic formations. If an endangered and threatened species survey has been completed for the property, a copy of the report shall also be submitted.

9/29/10 Joint Public Hearing

7. For any preliminary subdivision application within the Limestone Overlay District, any and all documentation and studies required by Section 4-1900 of the Zoning Ordinance.

8.103

A. The plats shall be prepared by a professional surveyor or engineer. These plats shall contain the data listed below, legibly drawn, on sheets 18 inches by 24 inches in size, with appropriate matchlines (if necessary). The following shall be included for each plat as appropriate:

39. Within the LOD, include all plat notes required by Section 4-1900 of the Zoning Ordinance.

8.103.3 PRELIMINARY/RECORD SUBDIVISION

In accordance with LSDO, Chapter 1243, a preliminary/record plat shall contain all required detail as specified for both a preliminary plat of subdivision and a record plat.

- A. The preliminary/record plat, which is intended to be recorded in the land records of Loudoun County, shall include those plat requirements of Section 8.103, and shall include the following:
 1. The title "Preliminary/Record Plat".
- B. On separate sheets, for informational purposes only and not for recordation, the applicant shall submit the appropriate required information for a preliminary plat of subdivision as required by Section 8.102.
- C. For any preliminary/record subdivision application within the Limestone Overlay District, any and all documentation and studies required by Section 4-1900 of the Zoning Ordinance.

8.103.4 FAMILY SUBDIVISION

B. Documents to Accompany Family Subdivisions

1. A copy of the deed(s) of conveyance and an affidavit certifying the division is being made for the purpose of a family subdivision under the Land Subdivision and Development Ordinance.
2. An executed and notarized Affidavit of Family Subdivision shall accompany each deed.

9/29/10 Joint Public Hearing

3. A copy of the recorded Deed or other document of title which establishes that the current owner of record has held fee simple title to the property for more than one (1) year.
4. On a separate sheet for informational purposes only and not for recordation, topographic information at 5 foot intervals with the proposed development layout, including proposed driveway locations, site entrances, opposing entrances, and median breaks on adjacent roads. The plan shall also illustrate that adequate sight distance requirements can be achieved where on-site roads/easements will intersect existing roads.
5. For any family subdivision application within the Limestone Overlay District, any and all documentation and studies required by Section 4-1900 of the Zoning Ordinance.

8.103.5 SUBDIVISION WAIVER/LOW DENSITY WAIVER

B. Documents to Accompany Subdivision Waiver/Low Density Waiver

1. In addition to the document requirements within 8.103, a subdivision low-density waiver shall also include a Deed of Open Space Easement. (Low Density Waiver only).
2. On a separate sheet for informational purposes only and not for recordation, topographic information at 5 foot intervals with the proposed development layout, including proposed driveway locations, site entrances, opposing entrances, and median breaks on adjacent roads. The plan shall also illustrate that adequate sight distance requirements can be achieved where on-site roads/easements will intersect existing roads.
